Standard Building Supplies Cook shack

Saturday 13th October was a fine gathering of North Shore Lions Clubs all together serving Pancakes and Sausages for breakfast and quickly followed by Hamburgers & Hot Dogs for the rest of the day, we had enough supplies to feed the lower mainland.

From Lynn Valley there was Warren, Bob, Jim, Terry & Paul and I know I have missed a few names – so my apologies to those.

BIG...BIG Thanks to Standard Bldg. Supplies for giving us this opportunity and paying us to do it, they put on a fantastic day with Tiger Williams, Bobby Hull and Courtnall signing Autographs all day,(Ask Warren he was 3rd in line)

The Passing of our Godfather.

A service was held at Seymour Golf & Country Club for Lion Joe Thornley, Joe and a few other Mt. Seymour Lions pounded the streets back in 1970 to muster Lynn Valley Residents to start the Lynn Valley Lions Club.

The Service was enjoyable, funny and a great reminder of the good times that Joe created. There were many Lions there from all clubs creating a great Lion atmosphere – his inspiration will be missed.

Clean-up at our Storage room

Lions , Jim, Bob, Terry, George, Scott, Paul, Warren, Jamie, David were there to attend to our very messy storeroom, coffee was on and away we went. Much junk was removed... much re-organizing was done.

In the den the juke-box was removed along with our resident Mexican mascot.

The Juke box will be taken to Jimmy,s for the original owner, and Pancho Villa sans half a moustouche is collecting dust as we speak.

We have a BBQ, Stroller, 1 wheelchair, 1 Walker & 6 bags of BBQ Briquettes to give away.

- May I wish everybody a Happy Birthday right now, so that I don't have to embarrass you later,
- Calendar sales are up to 70. (Seymour have approx. 200 sold)
- Bangers & Mash night gave us a profit of \$200.00 for the Admin Account, cooking for ourselves pays us bigtime, catering in costs us bigtime
- Meat Draw continues to please us with another record \$550.00 night. And rumors about the Lynwood giving way to a Staples has proved to be unfounded. So we await the next rumor

The Bed Race??? Did not hear too much about the admirable performance put on by Warren, Peter, Jim and????

First the attention getting name of the "*Lynn Valley Bedwetters*"
They of course won best Name!!! and best theatrics- this was an unscheduled pit stop behind a maple tree!!!

And out of a field of 30 contestants they came 31st, (Ask Warren)

Joke Time.....BREEDING BULLS.

A man took his wife to the Rodeo and at the first exhibit they stopped at was the Breeding bulls.....They went to the first pen and there was a sign attached that said, “ *This bull mated 50 times last year.*”

The wife playfully nudged her husband in the ribs and said, *He mated 50 times last year !*

They walked to the next pen that had a sign attached that said...
“*This bull mated 120 times last year*”

The wife gave her husband a healthy jab and said “*That’s more than twice a week ! You could learn a lot from him!!*”

They walked to the third pen and it had a sign attached that said...
“*This bull mated 365 times last year.*”

The wife so excited that her elbow nearly broke her husbands ribs,
And said..... “ *That’s once a day, you could really learn something from this one*”

The Husband looked at her and SAID”Go over and ask him if it was with the same cow”?

The husbands condition has been upgraded from critical to stable and he is expected to make a full recovery!!!!
