

LIONS 19 A-6 SEPTEMBER 2007 BULLETIN

Zone Activities

Due to inclement weather our fun duffer's golf afternoon had to be cancelled but will be rescheduled for May 2008.

It appears that Sunshine Coast residents are really hungry these days as most Lions concessions were a sell out event with Nil food left over.

Gibsons - 350 dinners served for the Paddlers' Dinner
- a 3 day concession for the Sea Cavalcade

Gibsons & Sunshine Coast (a joint project) - Lions were the sole concession operator at the annual Drag Races (I was the gopher at times and made four trips to IGA to buy more food).

Sunshine Coast - operated a large pancake breakfast at the Canada Day Parade (a tradition - \$4.00 selling price for pancakes, sausages and coffee).

Pender Harbour - (a tradition - \$6.00 selling price for pancakes, eggs, sausages, ham and coffee). Served approximately 300 breakfasts at the Bonfire Festival and approximately 150 at the annual Jazz Festival.

Powell River - sold out of food at their booth at the Blackberry Festival.

Egmont - did not operate any concessions as most members were out of town for the summer fishing season.

Zone Meeting

Our first 19A6 zone meeting was held in Powell River on Sunday September 9 with all five Clubs represented (9 of us went over on the ferry). Various projects and ideas were discussed. Our guest was Stephen Miller who gave us a an insight as to the activities of the BC Lions Society.

Our second zone meeting will held in Gibsons on Sunday January 6/08.

Clubs

All my Clubs are now back in “full swing” and are planning their activities for this year to June 30/08. Most also have plans for an “Open House” to recruit new members, as retention and new members with fresh ideas and manpower is what makes Lionism tick.

Zone Chairman's Visits

I made my first visit in September and plan on completing my official visits in October.

Respectfully submitted
Hugh Hepburn ZC 19A6
