Stokes

PDG Shirley Macdonald
PP Barb Govett
PP Glenn Cho and Louisa
PZC Marco Radunz & Leslie
PZC Tiger Lam

Regrets:

PDG Marilyn Martin, PDG Rita Fok, PZC Grace Hwo, ZC Ellie Chan

PDG Ray welcomed everyone. The left over gifts from the Spring Conference Raffle that were not claimed were given to the Vancouver Cathay New Century Lions except for the \$800 gift which was returned to the person who had donated it.

DG Henry thanked everyone for a job well done and told us that ID Dana Biggs sent DG Henry stating what a great conference we held.

Hebron submitted his financial statement

Barb said all contest and awards are complete and the final certificates will be handed out at the district lunch in Yakima at the MD conference.

Fun night was well attended and everyone had lots of fun and the entertainment was great.

Suggestion by ZCE Glenn Cho that maybe at future conferences there could be some way to have the Leos more involved in the conference. Although their lunch and awards presentation went well once it was over so was the lunch for the Lions. There were quite a few New Century Lions who attended the Leo lunch and there were some Leos who will be recruited as New Century Lions.

PDG Shirley stated memorial service was well attended.

VCC Polly stated that the total number of clubs who participated this year in the raffle prizes through either donations of raffle prizes or cash, is 24 clubs out of 68 which means that less than 50% of clubs responded. Total money collected was \$450.

PZC September said souvenir program sales went well and all but one invoice were paid but this will happen. Lots of comments about all the pictures about the district.

Report sent in by PDG Marilyn stated registrations were 312 Lions, Lioness and guests plus 74 Leos for a total of 386. The name tags turned out great and there were lots of comments about them. Thank you to PZC Tiger Lam for patiently sitting and helping everyone to sign the club sheets in the registration binders. Also thank you to PZC Don Bokic and PZC Erma Kemp for helping distribute the envelopes and to VCC Polly for bringing her breakfast.

Re voting procedures: PDG Shirley stated that in the voting room everyone should be speaking English and those helping in the voting room have to be aware that they cannot be taking cell phone calls and you cannot help anyone with their voting. Elections need to start on time and need to be in a separate room. Everyone who works in the voting room has to count the ballots for continuity and to stay there until this is done.

After the cost of the wind up dinner is paid and the money given to the next years committee as a start up fee the rest of the money needs to go to the DG escrow account at the MD office.

VCC Polly made a motion that \$1500 will be given to next years committee and the balance to the escrow account. This motion was seconded by PDG Shirley. All in favor. Carried

DG Henry was presented a beautiful clock that was given to him by the zone chairs and the cabinet secretary. Also Rita was given a bouquet of flowers.
